

Department: Operations

Segment: Currency Derivatives Segment

Circular No.: MCCIL/GEN/1933/2021

Date: April 08, 2021

Subject: Implementation of Trading Software CC Member Admin Terminal (Version 11.8.6.0) in Currency Derivatives Segment

To All Clearing members,

In terms of provisions of the Rules, Bye-Laws and Regulations of the Clearing Corporation, clearing members are notified of implementation of the updated version of CC Member Admin Terminal 11.8.6.0 in live environment of Currency Derivatives Segment with effect from Monday, April 12, 2021.

Clearing members are requested to take note of the following:

- The trading software (CC Member Admin 11.8.6.0) can be downloaded from SFTPserver (Extranet) any time after 7:00 pm on Friday, April 9, 2021.
- The update trading software version should be installed only after end of market hours on Friday, April 9, 2021, after completion of all daily activities like taking the online backup, trade report, etc. for the day.
- Procedures for downloading and installation of new trading software are specified in Annexure.
- **This is a compulsory download release for trading software. Hence, clearing members are, once again, requested to install the updated version to ensure uninterrupted trading from Monday, April 12, 2021.**
- As MAT is compulsory deployment, respective users are required to re-create Portfolio, Workspace, Client Master.

For any clarifications, Contact Customer Service on 022-61129010 or send an email to customerservice@msei.in.

**For and on behalf of
Metropolitan Clearing Corporation of India Limited**
