Additional Margins in Equity Cash Segment

In line with Chapter VI (11): Imposition of additional margins of Circular No.: MCX-SX/C&S/1002/2013 Master Circular – Capital Market Segment, MCCIL proposes to impose additional margins on certain securities witnessing high intra-day volatility.

Members are hereby notified as under:

- Additional margins shall be levied in respect of securities on which Equity Derivative contracts are available.
- Securities with Intra-day (High-Low) price movement of more than 10% for three or more days in the last one month shall be identified.
- The securities thus identified, will be subject to a minimum total margin (VaR / SPAN, Extreme Loss Margin and Additional Margin) equaling the maximum intraday price movement of the security observed in the last one month.
- The above mentioned minimum total margin shall be continued till the expiry date of derivative contracts which falls after completion of three months from date of levy.
- Additional margins levied shall be reviewed periodically.

This circular shall come into effect from Monday, November 5, 2018.
